**UNITED STATES DISTRICT COURT  
FOR THE SOUTHERN DISTRICT OF NEW YORK**

RICHARD ROSARIO,

Plaintiff,

-against-

THE CITY OF NEW YORK, *et al.*,

Defendants.

18-cv-4023 (LGS)

**DECLARATION OF RICK SAWYER**

I, Rick Sawyer, an attorney admitted to practice in the State of New York and the Southern District of New York, submit this declaration under penalty of perjury:

1. From October 2016 until February 2021, I worked as an associate at Neufeld Scheck & Brustein, LLP, with offices at 99 Hudson Street, 8th Floor, New York, New York 10013.
2. I make this declaration in support of an application for attorney's fees under 42 U.S.C. § 1988, for hours I worked on this matter. This declaration is based on my personal knowledge.

**EDUCATION AND EXPERIENCE**

3. I graduated from New York University School of Law in 2013, where I was recognized as an Arthur Garfield Hays Civil Liberties Fellow and served as an executive editor of the *Journal of Legislation and Public Policy*. Before joining NSB, I clerked for the Honorable Jenny Rivera of the New York State Court of Appeals; worked as a Staff Attorney at the U.S. Court of Appeals for the Second Circuit; and clerked for the Honorable Sarah Netburn of the Southern District of New York. My resume is attached as Exhibit A.
4. At NSB, I worked almost exclusively on 42 U.S.C. § 1983 civil rights litigation in federal courts around the country. My practice focused on wrongful conviction cases, such as Richard Rosario's, involving lawsuits against police, prosecutors, and other state actors

for unconstitutional misconduct. I mastered a body of law at the intersection of criminal procedure and civil rights that is relatively new and constantly evolving. To my knowledge, NSB is the only firm in the nation with a practice fully dedicated to litigating such cases.

5. Wrongful conviction cases require navigating difficult procedural defenses, including qualified immunity, and a nuanced understanding of liability under § 1983. They often raise the same due process claims, including fabrication of evidence, suppression of evidence, and malicious prosecution, that were at issue here. Factually, these cases involve flawed or fraudulent inculpatory evidence like the misidentifications caused by suggestive identification procedures in this case. My familiarity with these issues, and access to NSB's collective knowledge derived from 20 years of litigating these cases, made my work on this case much more efficient than it otherwise would have been.
6. On behalf of Plaintiff, I request compensation for my work at a rate of \$450 an hour. This requested rate is reasonable in light of the relevant market and my experience and skill.

#### **WORK IN THIS CASE**

7. I am seeking compensation, on behalf of Plaintiff, for hours I worked on this matter from October 2016 to January 2021.
8. Under the guidance of my senior colleagues, Nick Brustein, Emma Freudenberger, and Anna Benvenutti Hoffmann, I drafted the complaint; worked on the 440 appeal; drafted discovery requests; drafted and coordinated discovery responses, including reviewing documents for production; conducted legal research and drafted the opposition to motion to dismiss; prepared for and participated in depositions, including meeting and coordinating with witnesses; worked with experts, including editing their expert reports; managed a junior attorney, paralegal, and interns on work on the case; worked with investigators; drafted the opposition to summary judgment and the 56.1 statements in support of the summary judgment briefing; and drafted Plaintiff's pre-motion *Daubert* letter.

9. As set forth in the billing records attached as Exhibit B, which come from contemporaneously kept timekeeping logs, I seek compensation for a total of 1266.5 attorney hours.
10. I have reviewed the attached billing record in its entirety and made an effort to take a conservative and reasonable approach to the total hours for which I seek compensation. In my judgment, each hour set forth in Exhibit B was required by the circumstances and reasonably expended in pursuit of the favorable outcome in this complicated and important civil rights case.
11. I hereby declare under penalty of perjury that the foregoing is true.
